I certify that the incentive payments requested are for equipment installed at the member's site in the last 12 months.

**Note:**

A copy of the member's receipt indicating type of equipment, quantity and purchase price is required. Additionally, a technical data sheet is required. The incentives listed above are the maximum available rebate. Total rebates limited to \$100,000 per project. See the Energy Efficiency Programs document for more information. Actual rebates will not exceed 50% of the documented equipment purchase price. This program is subject to cancellation without notice. Submit rebate requests prior to installation in order to assure the maximum rebate. Applications for rebates must be submitted within 90 days of installation. Rebate checks will be issued to the account holder. Your Cooperative reserves the rights to verify all installations. The site must be served directly by your Cooperative.
